

ISWAMP
2013 Xi'an

**Intense field, Short Wavelength Atomic
and Molecular Processes -2**

20 - 22 July, 2013 Xi'an China

- 
- *Excitation, ionization and fragmentation in intense EUV and X-ray fields*
 - *Non-linear processes in EUV and X-ray*
 - *Developments in short-wavelength free electron lasers*
 - *Developments in HHG-attosecond light*
 - *Instrumentation for ISWAMP*
 - *New approaches to intense UV and X-ray generation*

Co-Chairs: Dajun Ding, Kiyoshi Ueda

An Invitation for ISWAMP2

Dear Colleagues,

It is our honor to inform you to attend the international workshop of Intense fields Short Wavelength Atomic and Molecular Processes-2. This event will be held in Xi'an, China, from 20 to 22 July 2013.

On behalf of the ISWAMP-2 Local Committee, it is great pleasure to inform you that you will present a presentation related on the conference topics at ISWAMP2 workshop.

Please visit <http://iswamp2.jlu.edu.cn/> to learn more.

We look forward to welcoming you at Xi'an in July.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Dajun Ding".

Prof. Dr. Dajun Ding

Chairman of the ISWAMP-2 Local Organizing Committee
and Co-Chair of the ISWAMP-2

Institute of Atomic and Molecular Physics, Jilin University, Changchun, China

Tel: +86-431-851-68819, Fax: +86-431-851-68816

E-mail: dajund@jlu.edu.cn

GENERAL INFORMATION AND DEADLINES

• Scope and Program

The second international workshop of Intense field-Short Wavelength Atomic and Molecular Processes (ISWAMP-2) will be held in Xi'an (China), July 20-22, 2013. The international ISWAMP-2 meeting will bring together researchers working with short wavelength sources of radiation to study atomic and molecular processes using intense fields and/or ultrashort time-scales. The workshop will include talks and posters on recent scientific and technical developments in the rapidly developing fields of x-ray free electron lasers, extreme ultraviolet radiation, high harmonic generation and attosecond science.

The following topics are planned:

1. Excitation, ionization and fragmentation in intense EUV and X-ray fields
2. Non-linear processes in EUV and X-ray
3. Developments in short-wavelength free electron lasers
4. Developments in HHG-attosecond light sources
5. Instrumentation for ISWAMP
6. New approaches to intense UV and X-ray generation

Find further details at <http://iswamp2.jlu.edu.cn>.

SCIENTIFIC PROGRAM

The scientific program will consist of 3 invited plenary lectures (50 minutes, 10 minutes for discussion), 13 invited talks (30 minutes, 10 minutes for discussion) and 11 oral contributed presentations (20 minutes, 5 minutes for discussion). One poster session will be arranged in the afternoon, 20 July. The detailed daily schedule and session organization for the ISWAMP-2 workshop is shown below.

Friday, July 19	
13:00—21:00	Registration in Grand Metropark Hotel
18:00—21:00	Welcome Reception in Grand Metropark Hotel

Saturday, July 20

08:30—10:00	Registration in Grand Metropark Hotel
10:00—10:10	Welcome for opening by Prof. Dajun Ding (Chair: Kiyoshi Ueda , Tohoku University, Japan)
10:10—11:00	Plenary Session Paul Corkum (Canada): Attosecond Science and Technology
11:00—11:30	Oral Session Attosecond and Femtosecond Photoionization Dynamics of He Ken-ichi Ishikawa
11:30—12:00	Synchronizing Terahertz Waves with Attosecond Bursts Zengxiu Zhao
12:00—13:30	Lunch
13:30—14:00	Oral Session (Chair: John Bozek , SLAC National Accelerator Laboratory, LCLS, USA) Nonlinear X-ray Resonant Absorption in Small Molecules: Emerging Science from Double Pulse and Two Color Free Electron Lasers Ryan Coffee
14:00—14:20	X-ray FEL Induced Ionization and Fragmentation Dynamics of C60 Molecules Li Fang
14:20—14:40	“Molecular movie” Shot with the XUV FEL Pulses Yuhai Jiang
14:40—15:00	Multi-mJ Parametric Synthesizer Generating Two-Octave-Wide Optical Waveforms for Strong-Field Experiments Shaobo Fang
15:00—15:20	Coffee break
15:20—17:00	Poster session
17:00—21:30	City sightseeing

Sunday, July 21

08:30—09:20	Plenary Session (Chair: Nora Berrah , Western Michigan University, USA) Makina Yabashi : Status and Challenges of SACLA
--------------------	--

09:20—09:50	Oral Session Development of Short Wave Free Electron Lasers in China Zhentang Zhao
09:50—10:10	Atomic, Molecular, and Cluster Science with the Seeded Free Electron Laser FERMI@ELETTRA Carlo Callegari
10:10—10:40	Coffee break
10:40—11:10	Oral Session (Chair: John Costello , Ireland) <hr/> Stimulated Electronic Raman Scattering at X-ray Free-electron Laser Sources Nina Rohringer
11:10—11:40	Collective Spontaneous Emission of He Gas Irradiated by Intense EUV-FEL Pulses Hiroshi Iwayama
11:40—12:00	Time-Resolved Nanoplasm Dynamics in Single Xenon Clusters Driven by Intense NIR and XUV Pulses Leonie Flueckiger
12:00—13:30	Lunch and Business meeting (IAB members)
13:30—14:00	Oral Session (Chair: Robert Moshhammer , Germany) <hr/> Direct and Sequential Multi-Photon Ionization of Atoms and Clusters in the VUV Tommaso Mazza
14:00—14:30	Exploration of Highly Ionised Solid Density States at XUV and X-Ray Free Electron Lasers Bob Nagler
14:30—14:50	The Impact of Dense Plasma Environments on the 1s3l Fine Structure Levels of He-Like Xiangdong Li
14:50—15:20	Coffee break
15:20—15:50	Oral Session (Chair: Anatoli Kheifets , Atomic and Molecular Physics Laboratories, Research School of Physical Sciences, Australian National University) <hr/> Attosecond XUV Spectroscopy Near Conical Intersections: Coherent Electron Hole Beating in a Triatomic Molecule Arvinder Sandhu

15:50—16:20	Fundamental Atomic and Molecular Quantum Dynamics in the Time Domain Thomas Pfeifer
16:20—16:40	Theoretical Investigation of the Transient Absorption Spectra of Helium Atom Di Zhao
16:40—17:00	The Interaction of Metastable Neon and Few Cycle Light Pulses Robert Sang
17:00—17:20	Autoionization Dynamics of Superexcited D ₂ in XUV-UV-NIR Femtosecond Pulses William Bryan
18:30—21:30	Banquet

Monday, July 22

08:30—09:20	Plenary Session (Chair: Michael Meyer , European XFEL GmbH, Germany) Artem Rudenko:
09:20—09:50	Oral Session Covariance Mapping of Multiply-Ionized Atoms and Molecules Exposed to Strong X-radiation Field Raimund Feifel
09:50—10:10	Electronic Decay and Fragmentation Dynamics of Iodomethane, Multiply Core-ionized by Photoabsorption of Intense XFEL Pulses Edwin Kukk
10:10—10:40	Coffee break
10:40—11:10	Oral Session (Chair: Mats Larsson , Sweden) Ultra-Efficient Multi-Photon Ionization of Atoms and Molecules by Intense X-Ray Free-Electron Laser Pulses Daniel Rolles
11:10—11:40	Nonlinear Processes in the Extreme Ultraviolet Region Using the FEL FERMI@ELETTRA Giuseppe Sansone
11:40—12:00	Time-Dependent Theory of Angular Distributions in Two-Photon Sequential Double Ionization of Neon Lampros Nikolopoulos

12:00—12:10	Concluding remarks (Peter Lambropoulos)
12:10—13:10	Lunch
13:10—21:00	Tour
End of Conference	

Submissions of abstracts

Currently, we have received 55 abstracts. Except the invited speakers, the members of International Advisory Board have selected 11 speakers to give contributed talks. The list of all oral speakers be shown above. The rest of submission will be accepted as Poster presentation. We appreciate contributions from all of you.

The online submission service has been closed now. If you are still interested in the conference, please send your abstract to iswamp2@jlu.edu.cn directly. We will try to arrange that.

Poster Presentation

All accepted contributed posters will be presented in the afternoon of 20 July. Space dimensions of 100 cm (width) × 120 cm (height) will be allocated to each poster. **Posters may be presented only if the corresponding abstract has been accepted and if at least one of the authors listed has registered for the conference.**

The posters should be prepared before 15:00 on July 20 and be removed by the author before 20:30 on July 20.

• Deadlines

<i>Items</i>	<i>Date</i>
Abstract Submission	20 May 2013(Closed)
Early registration	25 May 2013(Closed)
Cancellation of Registration	14 June 2013
Hotel Reservation	1 July 2013 (Extended)
Cancellation of Hotel Reservation	8 July 2013 (Extended)

 Changchun, Jilin Province, 130012, P.R.China

E-mail: iswamp2@jlu.edu.cn , rma@jlu.edu.cn or dajund@jlu.edu.cn

Tel: 86-431-8516-8819 or 86-15164389003

Fax: 86-431-8516-8816

REGISTRATION

All participants, including invited speakers and chairpersons, are required to register for ISWAMP-2 through the online registration system available on the conference website section "[Registration](#)". The registration links directly to the payment website. Online registration accepts payment only with credit/debit cards issued by Visa, MasterCard, American Express, JCB, or UnionPay cards. The online registration system will be available after April 1, 2013.

The conference registration is only valid upon payment.

In case of difficulty with the registration website, please contact the Conference office, iswamp2@jlu.edu.cn.

• Registration Fees

Fees are as follows (in Chinese Yuan, CNY):

Participation	Registration Fee	Accommodation	Tour Fee	Banquet
	Before/ After May 15			
Regular Participant	2200/2800CNY	560CNY(twins)	420CNY	320CNY
Student Participant	1400/1800CNY	230CNY(twins)	420CNY	320CNY
Accompanying Person	150CNY		420CNY	320CNY

The above-mentioned fees include supplement for credit or debit card payment (3%).

- The registration fee includes the meeting material printing costs, venue rental, coffee breaks, welcome reception *etc.* The cost of the conference banquet is NOT included in the registration fee and should be purchased separately.
- Participants should register as early as possible to insure normal price for your registration and accommodation.
- The Accompanying Person fee includes the welcome reception. Children 12 years of age and under are free for that. For Tour and Banquet fee of Children, it is decided by the Travel agency and Hotel.

d) Please keep and bring a copy of your proof of payment in case of dispute.

• **On-site Registration and Information Desk**

The registration desk at the Conference Center will be open on Friday, 19 July from 13:00 to 21:00 and on Saturday morning (20 July), from 08:00 to 10:00. On-site registration is possible with payment of the registration fee in cash (CNY only). For late arrival, please contact the conference organizers for registration.

• **Payment**

Visa, MasterCard, American Express, JCB, and UnionPay cards are all accepted. The credit card number and expiration date should be provided to the online registration system. The credit card will be charged immediately when processing the online registration. Charges will appear on your statement as PayEase which is a third-party online payment platform.

**Cancellation and Refund Policy*

Cancellations must be submitted in writing to the Conference Office. A cancellation fee in the amount of about CNY 300 will be charged for cancellation requests received before 14 June, 2013. After 14 June, 2013 the conference fee will not be refunded, even in the case of non-participation.

For cancellation of hotel reservations, please see the information under Accommodations.

All cancellation requests must be processed by the Local Committee of ISWAMP-2. Upon receipt of your request the Local Committee will inform you of the status of your request. Refunds are expected to take 7-30 days to process.

VISA AND TRAVEL AUTHORIZATION

Conference participants from most countries will be required to obtain a visa to enter China. Conference participants can apply for a Chinese visa through a travel agency or directly at local Chinese embassy or consulate. For attending conference, one can apply for either a tourist visa (Visa L) or a business visa (Visa F). Conference participants should check the visa requirements well in advance. The Chinese Visa Application Service Centre at local Chinese embassy or consulate provides helpful information on how to apply for a Chinese visa.

The ISWAMP2013 organizer encourages participants to apply for their visas as early as possible. No visa is required for ordinary passport holders from some countries (e.g. Singapore, Brunei and Japan) to visit China for up to 15 days. Conference participants are strongly recommended to consult the local Chinese Embassy or Consulate for the most current requirements and those specific to their situations.

Visa L(the Tourist Visa)

The participants are strongly encouraged to apply for the tourist visa (Visa L), for the apply procedure will be much simpler than Visa F. You'd better find a local travel agency, and ask them to help you to apply visa L. If you need invitation letter from the conference committee, please email to iswamp2@jlu.edu.cn including such information: Title, Full Name (same with passport), Address, Your Abstract Title (or Your Research Direction).

(See <http://www.travelchinaguide.com/embassy/visa/tourist.htm>, for guides of visa L application).

Visa F (the Business Visa)

In case you apply for the Business Visa (Visa F), an invitation letter for the conference together with the official authorized document will be required (which will take one or two weeks, We suggest the requests should be made as soon as possible), and you need to contact the iswamp2@jlu.edu.cn including the following information in your email:

1. Passport Number
2. Full Name (same with passport)
3. Gender
4. Date of Birth
5. Nationality
6. Visa Application Place (country, city and consulates)
7. Date of First Entry
8. Departure Date
9. POST Address
10. Curriculum Vitae
11. A copy of passport pages with your name and the issued authorities.

TRAVEL AND TRANSPORTATION

Air Service: Xi'an Xianyang International Airport (XIY) is located about 47km (29.2 miles) from downtown Xi'an. Xi'an has direct international air routes to Singapore, Nagoya and Seoul, along with connecting flights to Paris, Frankfurt, Los Angeles, Delhi, Bangkok, Tokyo, Nagoya and Singapore via Shanghai (Pudong). It also serves about 191 air routes from Xi'an to the main cities of China. Major airlines (Air China, China Eastern, China Southern, Hainan Airlines *etc.*) and their worldwide partners have convenient connecting flights to Xi'an from hubs in Beijing, Shanghai, Guangzhou, Lanzhou, Urumqi and Chongqing *etc.* (For detailed information please visit [Xianyang International Airport](http://www.xianyang-airport.com) website.)

***Note: You are strongly advised to check the information from official airline**

websites yourself before booking your itinerary and to book your flight 1-2 months in advance.

Taxi: The cost is about 160CNY from the airport to the downtown area.

Airport Shuttle Bus: The cost is 25CNY per person (single). It usually takes about one hour for the airport shuttle bus to get to Bell Tower in West Main Street, where is about 2 km to the Grand Metropark Hotel.

Railway Service: The railway station is located in the North Huancheng Road of Xi'an, about 2.5 km to the Grand Metropark Hotel. For railway service from/to Beijing, Shanghai, Chongqing, Lanzhou and all the Chinese capital city, please visit the official website <http://www.12306.cn> (Chinese service only) (only UnionPay Bank Card is accepted) or phone to 95105105 (Chinese service only).

Conference Venue

The conference venue is Grand Metropark Hotel, which is located at No. 158 Dong Da Jie, Xi'an, Shaanxi 710001, China. The photo below shows the front of the Hotel.

The international guests can arrive in Xi'an city by air. From Xi'an Xianyang International Airport (XIY) to the Grand Metropark Hotel, you can choose:

1. Taxi: Please show this map and the address detail to the driver if you want to take taxi to the hotel. It is about 47 km (50-60 minutes by taxi) from XIY Airport to the hotel, and it costs around 160 RMB (about \$25). Please print the following small note in advance and show it to the taxi driver:

Note: 请送我到: 东大街 158 号 (东大街大差市) 维景国际大酒店

Please take me to the Grand Metropark Hotel at No. 158 Dong Da Jie (Da Chai Shi).

2. Airport Shuttle Bus: You should get on the bus at the airport and get off at the last stop (Bell Tower)(bus ticket: 25CNY).Please tell the conductor you will go to the Bell Tower (Note: 我要去钟楼). Then you should take by Taxi to the Grand Metropark Hotel at No. 158 Dong Da Jie (Da Chai Shi) (around 15CNY). Please tell the taxi driver to go to the hotel (Note: 请带我去东大街大差市维景酒店).

Some guests, who arrive at Xi'an by train, please go to the Grand Metropark Hotel directly by taxi (around 15CNY). Please tell the taxi driver to go to the hotel (Note: 请带我去东大街大差市维景酒店).

As a satellite meeting of XXVIII ICPEAC (Lanzhou City), some participants will go to Lanzhou city to attend ICPEAC conference. For your convenience, the below flight information for summer 2013 is only for reference. And you are strongly advised to check the information from official airline websites by yourself before booking your itinerary and to book your flight 1-2 months in advance.

Flights from Xi' an to Lanzhou

For some participants, who will go to other Chinese cities or go back, please contact the travel agency to book your flight or train ticket if you want. Or you can let us help you to arrange. We will try to do that, when you arrive at the hotel. You also can ask the hotel reception to make it.

Travel Agent:

Travel can be arranged by local agent: XI'AN DONGMEI AVIATION TOURISM CO., CTD

Contact: Ding Lan

Tel: 86-18909207735 or 86-29-88481004

ACCOMMODATIONS

ISWAMP-2 will take place at **Grand Metropark Hotel**, a **five-star** hotel located in the center of Xi'an city. For all participants, you could choose your preferable hotel. It is very convenient to stay in the Grand Metropark Hotel. And it is low rate for Canaan International Hotel (only Chinese style breakfast).

The accommodation fee can be paid directly through online registration system or at the on-site registration desk to receive the conference rates.

***Note: (1) the given hotel rates are summer prices and include breakfast and taxes, (2) Xi'an is an international travel city, especially in summer. Please register as early as possible to guarantee to meet the demand of the hotel rooms.**

• Booking Procedure

Participants are suggested to select their hotel online using the conference registration system, which is available from 25 March. Your reservation is valid only when you pay your registration fee online. We will send a confirmation and reserve the room at your selected hotel. A one-night room fee will be charged (from your registration fee) if you cancel the reservation after 8 July, 2013.

Deadline

The deadline for hotel reservation is 1 July, 2013. After the deadline, reservations can still be requested, but the availability of certain categories or rates cannot be guaranteed.

The suggested hotels are listed below.

No.	Hotel Name	Level	Remarks	Remarks
1	Grand Metropark Hotel	5stars	560CNY	
2	Canaan International Hotel	3stars	230CNY	

SOCIAL PROGRAM

• Welcome Reception

The welcome reception will be held on **Friday 19 July, 2013, from 18:00 to 21:00**. The reception will take place at the Grand Metropark Hotel. On-site registration will be open from 13:00 to 21:00. The welcome reception is free for registered participants and accompanying persons should pay an additional 150CNY.

• **Banquet**

The workshop banquet will be held on Sunday 21 July, 2013, from 18:30 to 21:30. The banquet is not included in the registration fee. The 320CNY fee for the banquet can be paid through the online registration system or at the on-site registration.

• **Tour**

Xi'an is a famous travel city with an enormous cultural richness and beautiful surroundings. We have proposed two possible agendas for a half-day tour. One is a City Tour (The wall, Forest of Stone Tablets Museum, Bell and Drum Tower). The other is a Historical Tour, including the Terracotta Warriors and Horses.

After statistics from registration information, the Historical Tour is more preferred for most of participations. So the local travel agency has decided to arrange historical tour for all.

You are strongly advised to book the tours through the conference website system. Tour fee is 420CNY for each person.

• **Nearby Sightseeing Options**

City Wall: Xi'an was originally a walled city, which was erected in the 14th century Ming Dynasty, and even today the wall is considered a landmark dividing the city into the inner part and the outer part. We suggest exploring it at night before 20:00.

More details at <http://en1.xian-tourism.com/xiantraveldetail.asp?listID=358>.

Bell Tower: It is a wooden structure topped with dark green tiles. It is a grand ancient building with traditional Chinese architectural features. There used to be a huge iron bell hung in the bell tower, which was used to strike the hours. On the top of the Bell Tower, visitors can get a bird's eye view of the surrounding areas and the building's brightly-decorated eaves.

More details at <http://en1.xian-tourism.com/xiantraveldetail.asp?listID=360>.

Drum Tower: It is located to the northwest of the Bell Tower, as a similar structure to the Bell Tower. On the outside of the Drum Tower at ground level hang many large drums. Each one is decorated with beautiful Chinese writing, which invokes good fortune. A kind of drum show is performed here everyday. The top of the tower commands a panoramic view of the city.

More details at <http://en1.xian-tourism.com/xiantraveldetail.asp?listID=363>.

Huaqing Pool: It is Located at the northern foot of Lishan Mountain in Lintong

County, 30 kilometers from Xi'an City, Huaqing Pool is a famous resort in China. Not only famous for its exquisite scenery, but also for the romantic love story of Emperor Xuanzong (685-762) and his consort Yang Yuhuan in the Tang Dynasty.

More details at <http://en1.xian-tourism.com/xiantraveldetail.asp?listID=353>.

Terracotta Warriors and Horses: It is a collection of terracotta sculptures depicting the armies of Qin Shi Huang, the first Emperor of China. It is a form of funerary art buried with the emperor in 210–209 BC and whose purpose was to protect the emperor in his after life. The Terracotta Army was discovered in March 1974 by a farmer. So far, 1,868 terracotta warriors and chariots have been unearthed.

More details at <http://en1.xian-tourism.com/xiantraveldetail.asp?listID=352>.

Forest of Stone Tablets Museum(Bei Lin): Established in 1090 during the Northern Song Dynasty (960 – 1279), which is well-known nationally for a fine and large collection of more than 1, 000 inscribed stones, engraved during a 2,000 year period from the Han Dynasty (206 BC – 220 AD) to the Qing Dynasty (1644 – 1911). It is a good place to get close to Chinese history and culture.

More details at <http://en1.xian-tourism.com/xiantraveldetail.asp?listID=359>.

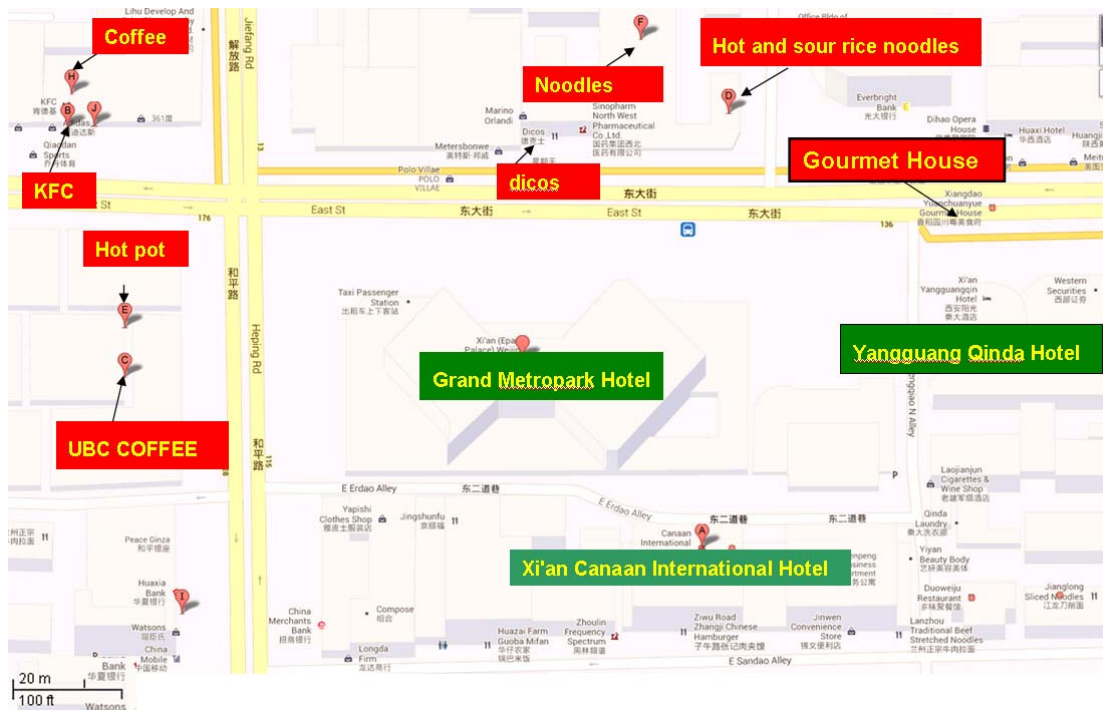

Big Wild Goose Pagoda: Built in 652 during the Tang Dynasty. One of the pagoda many functions was to hold sutras and figurines of the Buddha that were brought to China from India by the Buddhist translator and travelers Xuanzang. Now this well-preserved holy place for Buddhist has been the symbol of Xian.

More details at <http://en1.xian-tourism.com/xiantraveldetail.asp?listID=357>.

Further Information

• Lunch and Dinner

Lunch and dinner are not included in the registration fee. The hotel can provide you with various styles of foods. If you don't like to have food inside of the hotel, there are plenty of restaurants available nearby. The photo below shows some restaurants near the **Grand Metropark Hotel** for your choice.

• Registration Receipt

A receipt showing payment of the registration and banquet fees will be provided.

• Processing and Handling of Personal Data

Personal data of the conference participants collected by the local organizers will be used ONLY for statistical purposes and for mailings concerning announcements of ISWAMP-2 and future conferences.

• Exhibitors and Sponsors

ISWAMP2013 is graciously supported by the following sponsors:

- (1) National Natural Science Foundation of China

- (2) JiLin University

(3) Xi'an JiaoTongUniversity

(4) COHERENT

(5) NEWPORT

Additional Sponsors are welcome and will be announced on the website and at the meeting. If you wish to promote your product at the conference, please contact us. Contact email: iswamp2@jlu.edu.cn.

Other

• Insurance

Participants are strongly encouraged to ensure that they have appropriate health and travel insurance before coming to Xi'an. The conference will not be held responsible for any medical problems or injuries, or for loss or damage to property belonging to conference participants or accompanying persons.

• Credit Cards

Most restaurants and shops only accept cash in China, so please be sure to carry enough to cover your bill. The registration website accepts credit/debit cards from VISA, MasterCard, American Express, JCB card and UnionPay card.

• Banking and Currency Exchange

Banks are typically open Monday through Friday from 9:00 to 17:00. Automatic Transaction Machines (ATM) are widely available. Common currencies (Euro, US Dollar, UK Pound, Japanese Yen, etc.) may be exchanged at banks. However, it may be difficult to exchange some currencies, so participants are advised to bring some Chinese Yuan (CNY) with them or be sure that their bank card will work at ATM machines in China.

- **Internet service**

Participants and accompanying persons will have access to internet in the hotel room.

- **Weather in Xi'an**

Xi'an city is very hot in July. Maybe it will be above 35°C at noon time. Please pay attention to sun protection.

Related Meetings

- ◆ **XXVIII International Conference on Photonic, Electronic and Atomic Collisions (XXVIII ICPEAC)**

Chairs: Guoqing Xiao, Xiaohong Cai, Dajun Ding, Xinwen Ma, Yongtao Zhao

Date: 24-30 July, 2013

Location: Lanzhou

Website: <http://icpeac2013.impcas.ac.cn/index.htm>

- ◆ **38th International Conference on Vacuum Ultraviolet and X-ray Physics (VUVX2013)**

Chair: Ziyu Wu

Dates: 12 – 19 July, 2013

Location: Hefei

Website: <http://vuvx2013.ustc.edu.cn>

- ◆ **International Symposium on (e,2e), Double Photoionization and Related Topics & 17th International Symposium on Polarization and Correlation in Electronic and Atomic Collisions (e2e2013 and 17th ISPCEAC)**

Chairs: Xiangjun Chen and Yi Luo

Dates: 1 - 3 August, 2013

Location: Hefei

Website: <http://e2e2013.csp.escience.cn>

- ◆ **XXIII International Symposium on Ion - Atom Collisions (ISIAC 2013)**

Chairs: Jianguo Wang and Xinwen Ma

Dates: 20 - 21 July, 2013

Location: Beijing

Web page: <http://www.camdb.ac.cn/isiac23/default.asp>

◆ VI International Symposium on Atomic Cluster Collisions (ISACC 2013)

Chairs: Bing Zhang and Andrey V. Solov'yov

Dates: 20 - 22 July, 2013

Location: Wuhan and Chongqing

Website: <http://isacc2013.wipm.ac.cn/dct/page/1>
